There is a designated pickup point with appropriate signage, at each event, manned by event security personnel for the hours of the event and after the completion of the event until the last person in the *Get Home Safe* taxi line is in a cab. The security personnel will provide the appropriate voucher to the taxi driver directly. Security personnel will organize taxis for the most efficient use of resources so attendees may be car pooled for different residential or hotel areas.
- 2. Where will *Get Home Safe* take me?** Patrons will be offered a *Get Home Safe* taxi ride from the event directly to their residence or hotel. The program does not provide a ride to restaurants, nightclubs or other licensed establishments.
